

Double Door Petit Verdot 2024

THE STORY

The Double Door Range introduces wines that are made from a mix of estate grapes and grapes brought in from neighbouring farms.

This gives us the chance to be creative and produce wines that have their own distinctive style.

This 2023 vintage of our Petit Verdot is made from a unique block on the farm giving us beautiful black fruit with whiffs of tar and wildflower on the nose, a full body and a rich lingering finish – big but supple and polished.

IN THE CELLAR

Harvested on the 25 March 2024, the components were vinified and matured for 14 months in a selection of 2nd fill French oak barrels

THE LABEL

The label is an artistic sketch of our La Bri Cellar Door. The story being that the door hides the secrets in the cellar and needs to be opened to reveal the exciting wines behind it (i.e. you have to turn the bottle around to read the back label and discover the wine you are drinking.)
