

Merlot 2023

A nose redolent of smoked bacon and violets and ripe mulberry flavours. A juicy soft, fresh yummy dark chocolate palate with integrated tannins, structured acidity and a long finish

A selection of the perfect barrels from 3 distinctive blocks planted on clay soils on La Bri. Malolactic fermentation took place in barrel and the wine was then aged for 24 months in predominantly 300Lt French oak barrels, 8% new.

Each of our wines is linked to a specific flower - the characteristics of the wine are symbolized by the flower on the label.

Amaryllis belladonna (March Lily)

An extremely beautiful and elegant, pink flower that surprises with its sudden appearance. Our **Merlot** is elegant, refined and feminine and surprises with its structure and complexity. The common name *belladonna* refers to a woman who has both beauty and character – much like our Merlot
